# NAFEEL S.M

## UNDERGRADUATE YEAR 4

I am an enthusiastic IT undergraduate student at SLIIT, currently in my final year, with a completed Higher National Diploma (HND). My academic journey and practical experiences have equipped me with a solid foundation in information technology, alongside skills in project management and software development. I am eager to bring my technical expertise and problem-solving abilities to a reputable company, where I can contribute to impactful projects and grow professionally. I am known for my dedication and ability to adapt quickly, making me a reliable candidate for a dynamic work environment
